Armário aéreo em MDF ou MDP

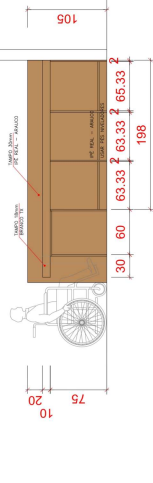

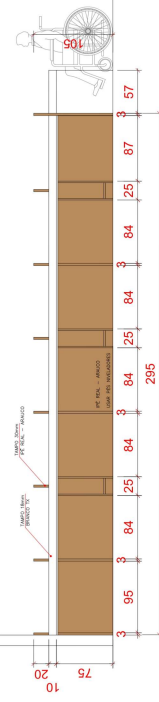

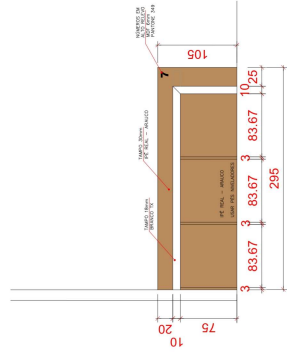

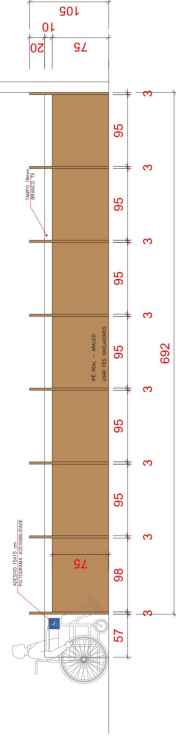

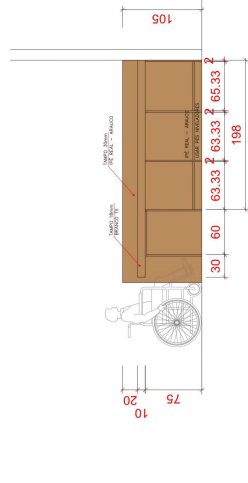

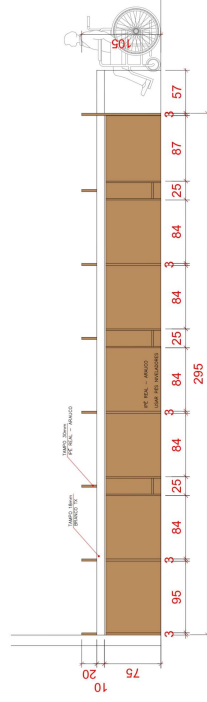

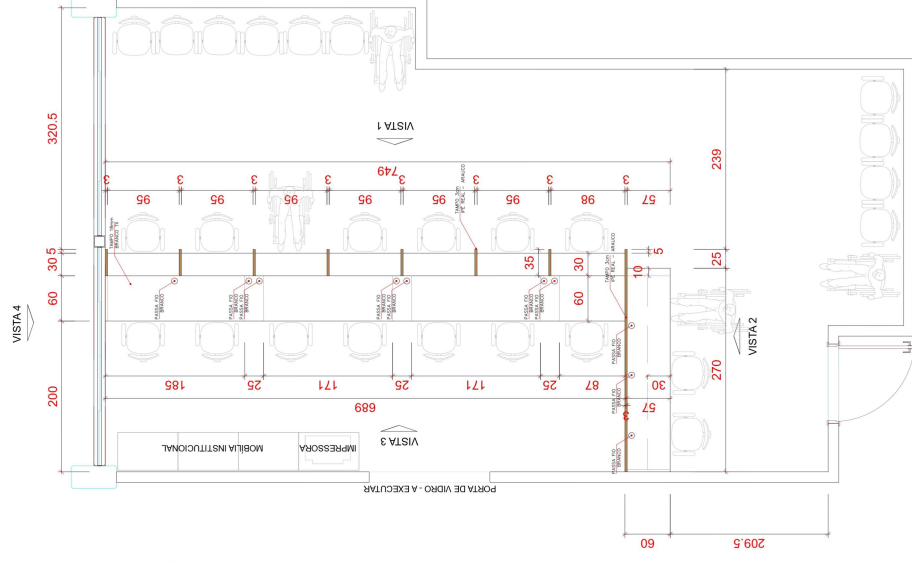

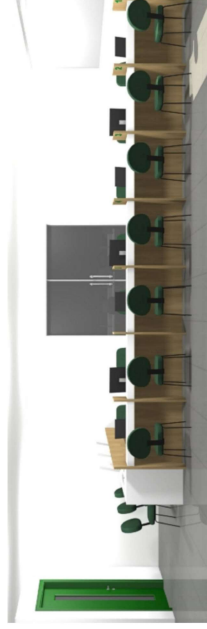

Unidade de medida metro

[illegible]

A 3D architectural rendering of a modern, minimalist interior space. The focal point is a long, white, modular desk system with green chairs and wooden accents, set against a large window. The desk is composed of several white rectangular units connected by a long wooden strip. Each unit has a small wooden shelf on top, and a green chair is positioned in front of it. The chairs have a modern, curved design. The desk is situated in a room with a large window on the left, showing a view of a city street. The floor is made of large, light-colored tiles. The overall aesthetic is clean and contemporary.
